Note:- The printing of 420 Kannada copies of the Manual of Village Accounts, Special for South Kanara was Sanctioned

(N)

in F.O. Ms. No. 1755 Rev. dated 1-8-1941, as the Collector South Kanara had previously reported that the copies of the Manual then in use in his district were very old and that fresh copies had therefore to be re-printed. As the Collector himself is now stated to have reported that the re-printing of the Manual is not one of urgent need, there seems to be no objection to approve the Board's ~~recommendation~~ recommendation for the postponement of the re-printing of the Manual till after the war. The draft order enclosed is for approval ~~It may be sent~~ to E/P.H and Finance ~~for acceptance~~ may be ~~sent~~ after issue
